

# My Solar Eclipse Memories

Once in a Lifetime!

August 21, 2017

Where I am

How far we traveled to get here

From where

What I saw

Who I was with

Why is a solar eclipse so special?

Who remembers a solar eclipse from their childhood?

What do they have to say?

How did we get ready for the solar eclipse?

What were three things I want to remember about today?

Percentage of eclipse where I am

*"God's glory is on  
tour in the skies,  
God craft on  
exhibit across  
the horizon.  
Madame Day  
holds classes  
every morning,  
Professor Night  
lectures each  
evening."*

*Psalm 19:1-2,  
The Message*

**Signed**

HINT - find out what percentage you can see the eclipse where you are here:
